Dear Chief Horvat,

This is a formal request for access to general records, made under the *Municipal Freedom of Information and Protection of Privacy Act*.

**Description of Requested Records:**

All studies and/or reports in the possession, custody or control of yourself, Chief Zvonko Horvat, or Alymer Police Services describing the **purification** of any **"COVID-19 virus"** (aka "SARS-COV-2", including any alleged "variants" i.e. "B.1.1.7", "B.1.351", "P.1") (via maceration, filtration and use of an ultracentrifuge; also referred to at times by some people as "isolation"), directly from a sample taken from a diseased human, where the patient sample was not first combined with any other source of **genetic** material (i.e. monkey kidney cells aka Vero cells; fetal bovine serum).

Please note that I am not requesting studies/reports where researchers failed to **purify** the suspected "virus" from a patient sample and instead:

- cultured an unpurified sample or other unpurified substance, and/or
- performed an amplification test (i.e. a PCR test) on the total RNA from a patient sample or from a cell culture, or on genetic material from any unpurified substance, and/or
- fabricated a genome based on PCR-detected sequences in the total RNA from a patient sample or from a cell culture or from any unpurified substance, and/or
- produced electron microscopy images of unpurified things in a cell culture.

**Clarification of Request**

For further clarity, please note I am already aware that according to virus theory a "virus" requires host cells in order to replicate, and I am **not** requesting records describing the **replication** of a "virus" without host cells.

Further, I am **not** requesting records that describe a suspected "virus" floating in a vacuum; I am simply requesting records that describe its **purification (separation)** from everything else in the patient sample, as per standard laboratory practices for the purification of other very small things).

Please also note that my request includes any study/report matching the above description, for example (but not limited to) any published peer-reviewed study **authored by anyone, anywhere** since December 2019 and relied on by yourself, Chief Zvonko Horvat, as evidence of a disease-causing "virus" circulating in humans and justifying the closure of the Church of God.

Please note that despite the fact that **purification is an essential** (but not sufficient) step in proving the existence of a disease-causing "virus", as of today **58 institutions globally** (including Health Canada and the Public Health Agency of Canada) have all failed to provide or cite any such records, therefore to my knowledge no such records exist and if they do exist I cannot access them until I am provided a citation or URL.

Therefore in the interest of transparency and in accordance with the purposes of *MFIPPA*, if any records match the above description of requested records and are currently available to the public elsewhere, please provide enough information about each record so that I may identify and access each one with certainty (i.e. title, author(s), date, journal, where the public may access it). Please provide URLs where possible.

**Format:**

Pdf documents sent to me via email; I do not wish for anything to be shipped to me.

**Application Fee**

I will mail the \$5 application fee to the address listed above.

Your request is better suited to go to the medical experts! They will have all the medical data you need to educate yourself on the harm, test studies, variances and where you can get vaccination to protect yourself from harm!

Dear Chief Horvat,

Thank you, I realize this, but I have already FOI'd **20 Canadian institutions** (including 5 that had publicly claimed to have "isolated the virus") and none of them had any record of isolation/purification of this alleged virus from a patient sample by anyone in the world. Their responses are here:

Thus far (May 7, 2021) 20 Canadian institutions have provided their responses: [Public Health Agency of Canada](#), [Health Canada](#), the [National Research Council of Canada](#), [Vaccine and Infectious Disease Organization-International Vaccine Centre \(VIDO-InterVac\)](#), [Canadian Institutes of Health Research](#), [Natural Sciences and Engineering Research Council of Canada](#), [Ontario Ministry of Health](#), [Institut National de Sante Publique du Quebec](#), [British Columbia's Provincial Health Services Authority](#) (2 responses, 1 re "SARS-COV-2, 1 re "the UK variant"), [Vancouver Coastal Health Authority](#) (re "the UK variant"), [Newfoundland Labrador Department of Health & Community Services](#), [McGill University](#), the [City of Toronto](#), the [Region of Peel](#) (Ontario), [KFL&A Public Health](#) (Kingston, Frontenac, Lennox and Addington, Ontario, re "any variant"), [Grey Bruce Health Services](#), the [University of Toronto](#), [Sunnybrook Health Sciences Centre](#), [McMaster University](#) and [Mount Sinai Hospital](#) (Toronto) (note that researchers from the last 4 institutions had publicly claimed to have "isolated the virus", as had VIDO-Intervac).

Thirty-eight FOI'd institutions in 14 other countries also all failed to provide or cite any such record.

The typical excuses are that "the virus" is there, but there's too little of it to find, even with an electron microscope! Of course, if they cannot find "the virus" in any patient sample they are only assuming that "it" is there. They say that it's necessary to let "the virus" replicate again, by adding a patient sample to malnourished, poisoned monkey kidney cells that are also contaminated with fetal bovine serum. And when the monkey cells exhibit cytopathic effects, they say that this is proof of "the virus", and they call their man-made concoction "virus isolate".

They also say that viruses can only be found within a cell, which contradicts the claim that "the virus" is transmitted from person to person.

I can tell you with 100% confidence that there is no logical, scientific evidence that this alleged virus actually exists; the tests and diagnoses are 100% fraudulent; people have gotten sick and died as they do every year but not because of a "COVID-19 virus". Hence I am especially concerned about the worldwide harm that is being caused by lockdowns, social distancing, masking, etc.

I'm sorry to bother you, but I do require a proper response to my MFIPPA request. You could either transfer the request to another institution or state that you and Alymer Police Services have no responsive records - I believe those are your only 2 options that are in accordance with MFIPPA.

Thank you and best wishes,

Christine

Dear Chief Horvat and Ms. Campbell,

Regarding Ms. Campbell's letter to me dated May 26, 2021, which was mailed to my home (see attached) along with my cheque for the *MFIPPA* application fee:

As noted in my last email to Chief Horvat, I do require a proper response to my *MFIPPA* request, and I believe that your only 2 options *that are in accordance with MFIPPA* are to either transfer the request to another institution or state that Alymer Police Service has no responsive records.

Simply returning an applicant's cheque doesn't appear to be one of your options.
